

President's Report

Unfortunately, like so many programs this past year due to Covid 19 our conservation camp was not able to be held. SCWF does continue to sponsor both a boy and a girl for each camp so be sure to submit a application for the coming year in case we are able to run our camp in 2021. The good news is that with the shutdown of camp this past year we took the chance to make several improvements and upgrades to this great facility. Infrastructure improvements, upgrades to the kitchen and improvements to the road in, just to name a few. If you have never seen the camp you can take a look by visiting the website, a link can be found on our provincial website, the link can be found on www.swf.sk.ca

Thanks to everyone who has supported this incredible facility and hopefully we can get back to our regular programs in the coming year.

SWIFT CURRENT WILDLIFE FEDERATION MEMBERSHIP REPORT

Our membership for 2020 is as follows:

Regular members	374
Associate members	276
Total	650

Our top salesman for the year is CLARK SCHULTZ with 382. Thank you to CLARK and all those who sell memberships. Approximately 82% of our members have chosen to use the three year option. The three year option saves you \$10.00 over three years on the regular membership and eliminates the need to renew each year, as we will send your new membership automatically for the two following years.

Those who purchased three year memberships will receive their 2021 cards in the mail out. Memberships are in effect from January 1, 2021 if purchased before year end or from the date of purchase to December 31, 2021. Membership insurance coverage is also effective according to these rules so buy your membership as soon as possible. To receive every issue of the OUTDOOR EDGE you must purchase your membership by January 10. Cutoff date for membership purchase to be eligible for trophy competitions is August 15, 2021.

YEARLY OPTION

Regular Membership	\$35.00
Each additional Associate Member	\$5.00

THREE YEAR OPTION

Regular Membership	\$90.00
Each additional Associate Member	\$15.00

Memberships are available at:

SWIFT SHOE REPAIR

or from any executive member. Any question regarding memberships can be directed to:

Pheasant Program

A great year at the pen!! We got our 1500 birds and again, had low mortality raising them. Releasing started in late August and we were able to stock more places than ever. Again, we kept about 300-400 hens and 75 roosters to collect eggs from to donate to a Moose Jaw school. A big thanks to the landowners that let us release birds on their lands, our sponsors who support this amazing project and to our awesome volunteers for time and efforts who make this project as great as it is.

Ron Button and Chris Grainger

Firearm Safety

We were just able to finish Hunter Safety in 2020 before the full Covid shutdown happened. We graduated another 50 or so future hunters. We are not sure when we can host classes again, but it will be announced at all the area schools when we get clearance.

A huge thanks to all the volunteer teachers for their knowledge and time!

Jared Stephenson and Chris Grainger
